Attend a Seminar on Social Security and Your Retirement

Regardless of when you plan to retire, Social Security will likely be an important part of the road ahead. But many individuals don't realize there are options to consider when it comes to collecting Social Security. The decisions you make now could help you get more out of your benefits. *Are you looking for more information about how to maximize your Social Security benefits?*

Join us for an educational seminar on Social Security and Your Retirement to be held on April 26, 2017 at 7:00 PM at The Woodlands, 1073 Highway 315, Wilkes-Barre, PA 18702.

Your plans for drawing Social Security are a critical financial decision, and if you know the "rules of the road" it can make a big difference in the success of your retirement journey. Whether it's the timing of starting Social Security or options for you and your spouse to coordinate your income plans, the path you follow could help you get the most out of your benefits. This seminar will address these issues and answer more of your questions:

- What are the rules for collecting your Social Security benefits, and will recent changes affect you?
- How can spouses coordinate their benefits and possibly receive more?
- Are there different routes to take that could potentially increase your benefit amount?
- How can Social Security fit within your overall retirement income plan?

This no-cost, no-obligation seminar is hosted by James H. Van Wert Jr., CFP®, and Trey Van Wert the MEMBERS Financial Services Representatives at Community Regional Credit Union. For more information or to reserve your place, call 570.208.4520 or email trey.vanwert@cunamutual.com. Space is limited, so make your reservations today.
